

Special Amendments to Grange Intimate Care Policy
During Covid-19 Epidemic

This amendment to the Intimate Care Policy outlines specific changes to guidance that staff will have to follow. Our sole guiding principle when making any changes or adjustments to policy is to be able to keep all of our children, families and staff safe and place their wellbeing at the forefront of everything we do.

Children should be encouraged where possible to clean themselves and change their own clothes when wet, supervised at a safe distance by an adult. If a child is soiled or requires additional support from an adult, adults **MUST wear gloves, apron and a mask** to carry this task out. PPE should then be removed appropriately and double bagged before being put in the appropriate bin.
